This is a working draft plan which has been produced for the purpose of targeted consultation on the Thames Tunnel project. The information shown on the plan is illustrative of what will be required for the purpose of constructing and operating the Thames Tunnel project. The information shown on the plan may change as a result of Thames Water’s consideration of the responses received to targeted consultation and any further design development that is carried out.

Legend

- Limits of land to be acquired or used
- Targeted consultation
- Phase two consultation

The information shown on the plan is illustrative of what will be required for the purpose of constructing and operating the Thames Tunnel project. The information shown on the plan may change as a result of Thames Water’s consideration of the responses received to targeted consultation and any further design development that is carried out.
