This is a working draft drawing which has been produced for the purpose of Phase Two consultation on the Thames Tunnel Project. The information shown on this drawing is illustrative of what will be required for the Thames Tunnel Project. The information shown on this drawing may change as a result of Thames Water’s consideration of the responses received to Phase Two consultation. Any further design development that is carried out on this drawing may change as a result of Thames Water’s consideration of the responses received to Phase Two consultation.
