This is a working draft plan which has been produced for the purpose of phase two consultation on the Thames Tunnel project.

The information shown on the plan is illustrative of what will be required for the purpose of constructing and operating the Thames Tunnel. The plan is intended to provide an understanding of the potential alignment of the Thames Tunnel and the potential impact of the alignment on the environment and surrounding areas.

CH2M HILL accept no responsibility for any circumstances, amendment or abbreviation or if it issued in part or issued complete in any way.
