

Hickory Hills Fall Baseball 2011 registration is here!

Registration for this program will be held on Saturday, June 25, 2011 @ the HHYBS Concession stand between the hours of 3:00pm and 5:00pm.

The purpose of Fall Baseball is not only to be competitive but meant to be a learning experience. Please believe me when I say that your player will have that much of an advantage over every other player who doesn't play FALL BASEBALL!

Not wanting to rush spring baseball at all, I want to give all of you a head start on next fall. Beginning in June 2011, we will start accepting applications for HHYB Fall Baseball 2011. This year we will start our fall baseball season at the beginning of September and go right on through to the end of October.

This year we will be doing things much differently though. Every team will be signed up in the CLSUNBALL Fall Baseball program. Your team will be chosen and you will be scheduled accordingly against neighboring towns. We will no longer be scheduling the games in house. We look forward to much success and more fun without the work this year! We will play an even amount of games at Hickory as well as on the road.

We hope to have enough sign ups to field teams in every division, just as in regular spring baseball. The cost will remain the same at \$110 per player. Each player will receive a hat, shirt and a certificate at the end of the fall baseball season.

Neighboring Leagues as well as full teams are welcome to enter this years Fall Ball season. Certain restrictions apply. Please contact me if you are interested ASAP.

If you are interested in playing and or managing a team & can't make the registration date, please contact me ASAP!
