10 RELEASE AND LAPSE

10.1 Subject to Clause 6.2, this Agreement shall cease to have effect and the parties shall be released from any further liability under it on the occurrence of any of the following events:

Save as permitted by law nothing in this Deed shall be taken to be or shall operate so as to fetter or prejudice the statutory rights powers discretions and responsibilities of the Council, Developer, the PLA or the GLA.

13 SEVERABILITY

It is agreed that if any part of this Deed shall be declared unlawful or invalid by a Court of competent jurisdiction then (to the extent possible) the offending provisions will be severed from the Deed and the remainder of this Deed shall continue in full force and effect.

14 CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

Notwithstanding the provisions of the Contracts (Rights of Third Parties) Act 1999 no part of this Deed shall be enforceable by a third party who is not a party to the Deed and for the avoidance of any doubt the terms of the Deed may be varied by agreement between the Parties without the consent of any third party being required.

15 DISPUTE RESOLUTION

15.1 The parties shall use their reasonable endeavours to secure the amicable resolution of any dispute or difference arising between the parties out of or in connection with this Agreement through each party nominating a representative who shall meet to try to resolve the matter.

15.2 If a dispute or difference arising under this Agreement is not resolved in accordance with Clause 15.2.1 within 20 working days either Party may refer it to an Expert for determination in accordance with the following:

15.2.1 The Expert is to be appointed by the parties jointly or, if the parties are unable to agree on the identity of the Expert or the terms of his appointment within five Working Days of either Party serving details of a suggested Expert on the other, appointed by the President for the time being of the Institution of Civil Engineers on the application of either Party;
15.2.2 The Expert shall be a person with suitable qualifications, expertise and experience to determine the dispute or difference referred to him under this Clause 15.2.4.

15.2.3 The Expert is required to prepare a written decision and give notice (including a copy) of his decision to the parties within a maximum of [twenty] Working Days following his appointment.

15.2.4 If the Expert dies or becomes unwilling or incapable of acting, or does not deliver his decision within the time required by Clause 15.2.3 then:

(a) either Party may apply to the President for the time being of the Institution of Civil Engineers to discharge the Expert and to appoint a replacement Expert with the required expertise; and

(b) the provisions of this Clause 15 shall apply to the new Expert as if he were the first Expert appointed.

15.2.5 The parties may make submissions to the Expert and will provide (or procure that others provide) the Expert with such assistance and documents as the Expert reasonably requires for the purpose of reaching his decision.

15.2.6 To the extent not provided for by this Clause 15, the Expert may in his reasonable discretion determine such other procedures to assist with the conduct of the determination as he considers just or appropriate.

15.2.7 The Expert shall act as an expert and not as an arbitrator. The Expert shall determine the dispute or difference referred to him (which may include any issue involving the interpretation of any provision of this Agreement, his jurisdiction to determine the issues referred to him and/or his terms of reference). The Expert's written decision on the issues referred to him shall be final and binding on the parties in the absence of manifest error or fraud.

15.2.8 Each Party shall bear its own costs in relation to the reference to the Expert.

15.2.9 All matters concerning the process and result of the determination by the Expert shall be kept confidential among the parties and the Expert.

15.2.10 For the avoidance of doubt, the dispute resolution procedure set out in this Clause 15.2 shall apply to disputes or differences arising under or pursuant to the provisions of this Deed notwithstanding (and to the exclusion of) any dispute resolution procedure provided for either in the DCO or as part of any other consent for the Development but shall not apply to any matter for which an alternative dispute resolution procedure is specified.

16 WAIVER

No waiver (whether express or implied) by the Council of any breach or default by the Developer in performing or observing any of the terms and conditions of this Deed shall constitute a continuing waiver and no such waiver shall prevent the Council from enforcing any of the said terms and conditions or from acting upon any subsequent breach or default in respect thereto by the Developer.
