Facilitator Spotlight

Kyra Hufford obtained her Masters of Arts in Counseling from Webster University in May 2010. Kyra also received a Bachelor of Arts in Psychology from the University of South Carolina in 2004. Kyra enjoys riding horses and competed on the USC Equestrian Team from 2001-2004. During her final year in the MA program at Webster, Kyra was a clinical intern at Sexual Trauma Services of the Midlands. Kyra finds her work with survivors rewarding and decided after graduating and completing her internship to continue to work at Sexual Trauma Services of the Midlands as a group facilitator and a volunteer advocate.

Thank you Kyra for your dedication to STSM and all of the work that you do for our agency.
